AT A GLANCE

What this pack is

Chanukah — the Festival of Lights — taught the way young children actually learn: one big idea per slide, lots of pictures, plenty of white space, and a warm teacher's voice baked into every speaker note.

The arc is miracle-first. We open with the joy of eight nights of candles, then gently backfill the harder pieces — the Greek king who didn't want Jews to be Jewish, the Maccabees coming home, the little jug of oil. We never go graphic about war. We focus on light, hope, and gratitude.

What your child will take away

- What Chanukah is — eight nights, eight candles, a story to remember.
- The story of the oil miracle — one little jug that lasted eight days.
- The chanukiah and the shamash — how it works, how to light it.
- All three Chanukah brachot, with full nikud and transliteration.
- Dreidel letters, latkes, sufganiyot, gelt, and the songs we sing.

- Hebrew vowelized deck — 14 slides, full nikud (16:9)
