AT A GLANCE

What this pack is

Alef-Bet Pack 1 is the first pack in the Alef-Bet Foundations Series — a 7-pack journey from the very first Hebrew letter to full sounding-out fluency. Pack 1 covers ALEF, BET, GIMEL, and DALET — the first four letters of the alef-bet.

Each letter gets TWO slides: a "Meet" slide (shape + sound + key word) and a "Practice" slide (three short Hebrew words). The deck also covers right-to-left reading direction, why bet has a dot inside it (introducing the dagesh), and ends with the payoff: your child reads ABBA, DAG, and GAV letter-by-letter with just the four letters they've learned.

What your child will take away

- Recognize alef, bet, gimel, and dalet anywhere they see them.
- Read Hebrew from RIGHT to LEFT (not left to right).
- Understand that alef carries the vowel (it's quiet, not silent).
- Know what the dot inside bet means (and that vet is coming).
- Decode 3–6 real Hebrew words on their own.

WHAT'S IN THE FULL PACK

- Printable worksheet pack — 8 pages, tracing-first, US Letter
